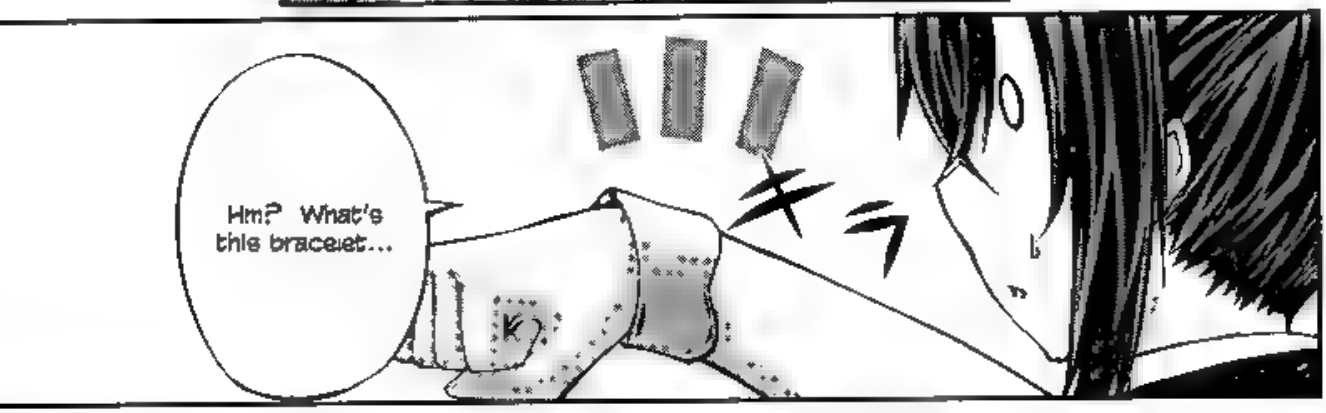
...they're real...
Uwaaaa
...so then...
...I knew it.

Hm?
TURN INTO A GIRL-!?
Why did I...



Hm? What's this bracelet...

05
You can't take it off.
I don't remember putting this on...
Shit, it won't come off...

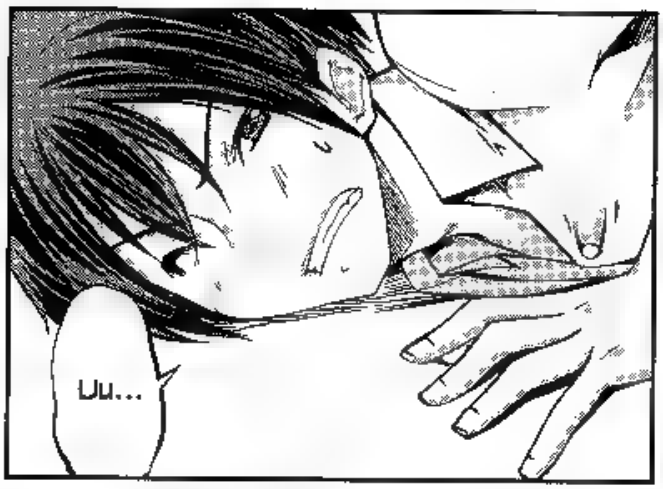
So you've finally come to.

That's the contract bracelet. With that, your strength is guaranteed.
In battles, you'll be able to use the ultimate power.
and you'll use that power to fight the enemy.
That form is so that you can use the maximum amount of power, that of an Elite.

AS IF I COULD!! WHY IS A STUFFED ANIMAL TALKING!?
What con-tract!? Why did I turn into a girl!?
It's like being given 100 yen and being told "go save the world with this", there's no way I'd accept this!!
Not that bright...
...you really aren't that bright ..
A dream! This is a dream! That I turned into a girl, and that this stuffed animal is talking.
it's all a dream!
...you should believe me.

WELL, SORRY!!
That's why...
Didn't you really turn into a girl?

I CAN'T ACCEPT THIS!!



Uu...

Thank God... I'm back as a guy...

It was a dream after all, a dream!!
as if something so unrealistic could ever...
A stuffed animal talking,

It wasn't a dream-

Thin body-type, normal grades. Normal at athletics too. Eyesight in both eyes is 1.2.
A weird bracelet was on me when I woke up.

Kamofers have to be girls.
That shitty stuffed animal...

That is why your body changes into that of a girl
After being chosen you become girls
I'm a girl
And this is the mark of a Kampfer.
Nonetheless, you were chosen because you have the optimum talent

No matter where you look, it's a cliche panorama... what's so "spectacular"?

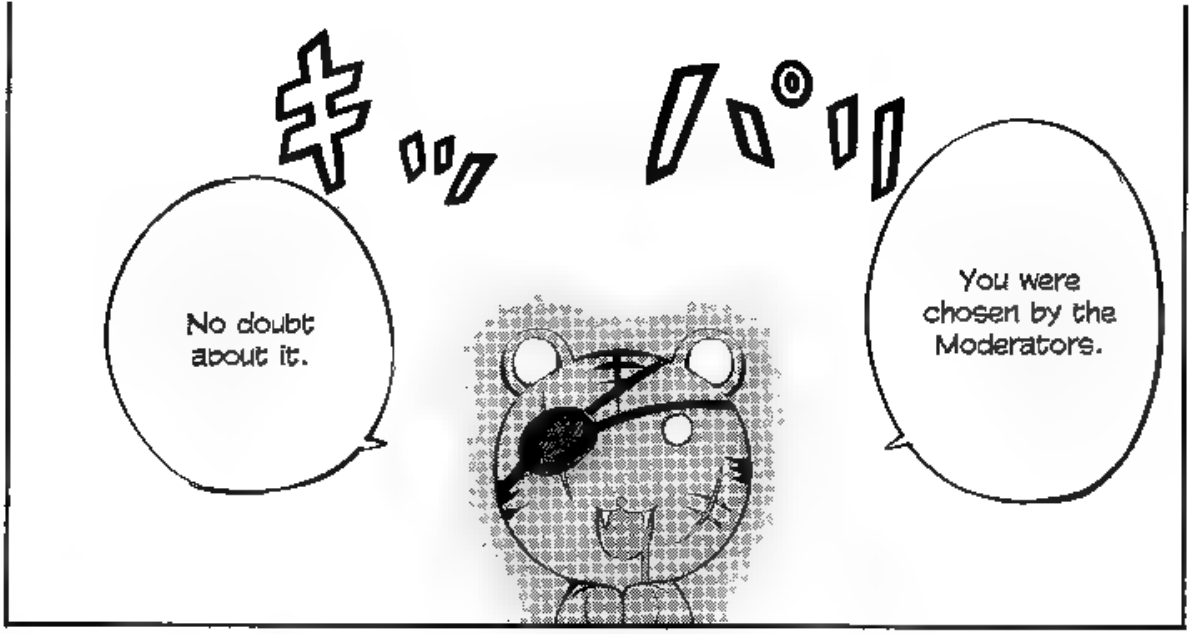
...Mm.



No doubt about it.
You were chosen by the Moderators.

There're no angels with their guts hanging out.

An errand... If I had to say, I'm something like an angel.

Not me, I'm just a Messenger.
You're one of these "Moderators"?

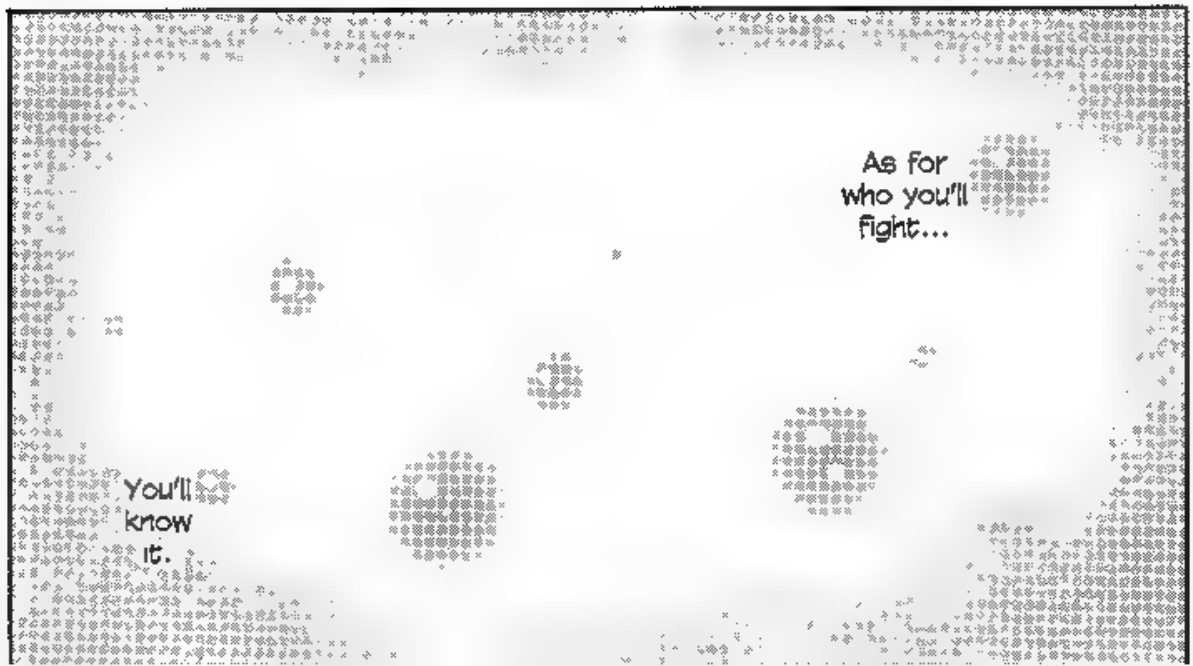
I even sound like Shizuka-chan when I talk!

Anyways, turn me back into a guy. I can't go to school like this.
...you're okay with that?
Whether "it's okay" or not, just hurry up and do something. I'm getting impatient.
...then close your eyes.
Like this?

Sorry, this is the only way to forcefully change you back...

So long as you're chosen to be a Kampfer, that is absolute.

Natsuru-san, you will fight.



As for who you'll fight...
You'll know it.

The only thing I know is that I just turned into a girl...
Whoa!
...wait, huh?
I'm sorry too... I wasn't paying attention.
s-sorry.

Ah, Natsuru-san.
Thank goodness... I'm glad that was someone I knew.
Good morning, Sakura-san.
If only she'd been the Messen-ger...
What's wrong? Your face is red.
No, nothi... how about we walk to school to-gether?

...Allow me to introduce her, this angel's name is Sakura Kaede.
Alright, let's go!
With a warm smile and beautiful hair, petite figure and elegant bodyline...
all the male students. Me too, of course!!
But even with that figure and personality that's kind to everyone, there are no rumors of her going out with anyone in particular.
approached by lots of good-
legend saying that "if you can land Kaede, even Touda would accept you!"
If I ever got the chance, I'd go... or so I thought, but of course I'd be defeated the
And so, I'm just going to enjoy our current status as "classmates who get along fairly well."

When that shines, you'll turn into a Kampfer...

Sakura-san, I have some urgent busin...

So you're my enemy?
I didn't think that such a girly-looking punk would be my enemy.

Well, this is the end fer ya.

Yeah, yeah.
And she was wearing our school's uniform too!
She even drove away these guys who were hitting on her...
I know. You're talking about me, after all.
Natsuru-san...!!
For there to be a hottie in this school who I haven't checked yet,
it's a disgrace to the Beautiful Girl Research Society...

You need permission to come to the boys' building...
Akane-chan, what's wrong?
Um... there's someone who wants to meet you...
Me...?
Sorry, I'm the one who asked her.
Eh?

Why are you...
THE STUDENT COUNCIL PRESI-DENT?!
and Sakura-san?!
WHAT DID YOU DO, SENOU?!
For the two girls who represent this school...
the student council president, Sangou Shizuku and Sakura-san to actually come to the boys' building...
You committed some grave offence, didn't you?!

Shizuku-chan's the student council president, so it's easy for her to go to the boys' building...
Sorry... I had something that I wanted to ask Natsuru-san, so I got Shizuku-chan to help...
Besides,
It's no big deal.
Well, how about we go to a place where it's easier to talk?
there's something that I want to ask these two.

This club was disbanded this year, so the room is vacant...
This is a good enough place to talk, right?
Well, what did you.
This atmosphere... It's kind of like an interview...

Two bookshelves, and dozens of books.
You were in the library before, weren't you?
There was plenty of damage, but we've yet to catch the culprit.
It'll be a bother if we can't get any information from the witnesses.
You were there in the library, weren't you?
But the one who did that was a girl and Natsuru-san's a boy.

But that's not important.
The one who ran wild was a girl, we know that much... that was the testimony from some students who fled the scene.
...!!
What I'm asking you is...
if the one who ran wild ENDED UP as a girl.

It's suspicious no matter how you look at it.

I'm heading back to the girls' side.

So you two really were in the library...

You can hear from Kaede herself as to why she wanted to talk with you.

Sangou-san's always like that.
That was my first time talking with the student council president, she's really intense...
Ah- That was scary.
Um, excuse me.
I heard from Shizuku-chan that you might've been in the library,
so I had her take me to the boys' building suddenly...
So this is what she...
But that really was unexpected,
a second-year like you being friends with the third-year student council president...

She's always been really grown-up, and pro model scouts were always trying to talk to her.
We've been friends ever since we were little.

Ah, that's right...

Tch... I've got no choice so I'll go on ahead...
Ya want me to stick close-by, right?
Besides... I just want to tell her that we won't see each other anymore...

And now...
I feel bad about this, but I have to tell her straight-up...
I forced Natsuru-san to introduce us...
Was that a nuisance..?
Uh... um, thanks for coming!
Ah...
I REALLY can't say it...!!
I...

Ah... please wait.
Sorry... your name...
... Natsuru.
I had no idea that there was someone in our school like you...
So you have the same name as Seiou Natsuru-san. Are you two friends?
That uniform's from our high school, right?
...
Next time, I'll give you a really nice piushie.
I gave ones to both Shizuku-chan and Natsuru-san, since we're friends...

I'm not talking because you might recognize my voice!!
ポ
It's just so cool!
You're really quiet, Natsuru-san.
What's... that?
Hm?
I just have to hurry up and get Sakura-san home uneventfully...
Natsuru-san, look...
The fuck? Just try and say that again!!

My uneventful trip home just turned into a fair-off scene!!
FUCK OFF!

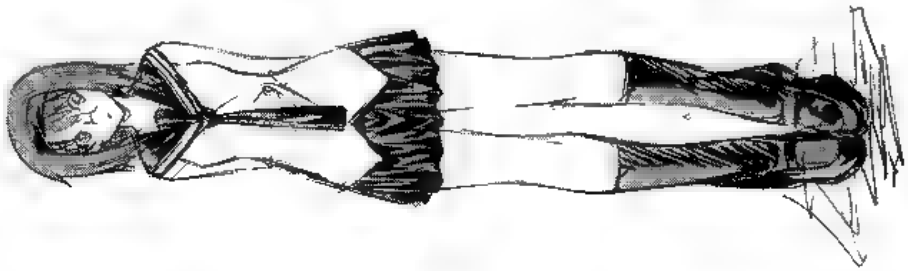
AKANE MISHIMA



Chapter 5

Don't worry about it, Natsuru!!
What, it ain't like there's some rule that says that Kampfers can't date!
You bastards.
HAHAHAHA!
So why don't you just go out with her then!?
It's a shock for us Moderators too-
Yap...
...
Akane-chan, your messenger...
it has the same tone as you do when you transform...

That was the plan, but I just couldn't turn her down...
Hahaha.
But... didn't you say that you weren't going to see her anymore?
So on our next day off...
...where do you think we should go, Akane-chan?
I don't know. It's not like I've ever been on a date with a guy before.
That's right... and we even got attacked in the library...
and Sakura-san'll be in danger if my transformation wears off in the middle of things...
You might get attacked again.
Since that's what tends to happen when a Kampfer goes out.
?
So I guess...

It'd be weird for me to chaperone your date...
Come along on our date!!
Please, Akane-chan!

If it messes up, that's just how it is. Though, we'll be laughing!!
...

I'd be too worried by myself! And the transformation might wear off!
And even if it doesn't, I'd just die if the date got messed-up somehow!!
ドキ
!

You guys... butting in on my personal business...

The next day
Uh... if you don't stay trans-formed, mine might wear off, so...
I don't want to... and you'll be all alone with Sakura-san the entire time...
Eh?
IT'S NOTH-ING!!

Eh, it'll be fine!
I might want to shoot you if I'm in that form.
IT WON'T BE FUN!!
That's right-
You just hide nearby, and if he turns back into a guy,
then that's that. It'll be fun!
Honestly...
Good luck-
I get it... you can stay like that, just make sure you stick close-by.
Ha-

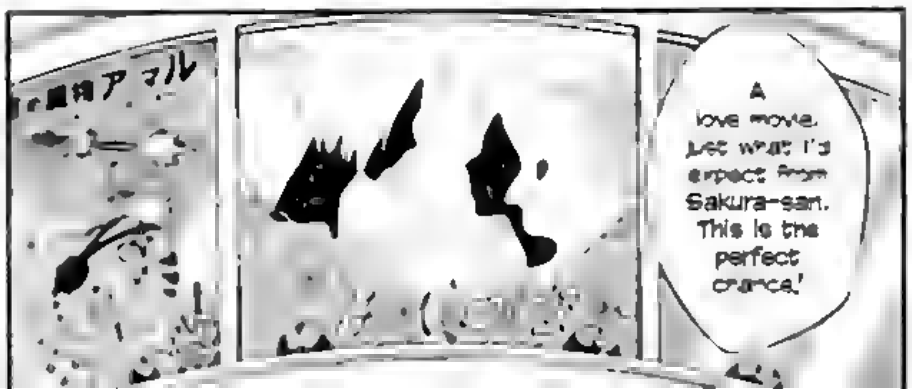
...!!
There might be a Kampfer somewhere in this crowd.
And...
Kampfers exist to fight...
As to who to fight, you'll know that soon.
It might be in the near future,
but most important of all, there's an enemy aiming for Akane and I.

I was so caught up about what to wear that I ended up late.
That's no good, since this is my first date.
Thanks for waiting.
Sakura-san!?
S... SO CUTE!!
Shall we go?

If you're not against it... there was a movie that I wanted to see.
I've been looking forward to it so much, it's finally in theaters... are you interested?

Actually, I bought advance tickets

That one over there



A love movie. Just what I'd expect from Sakura-san. This is the perfect chance.'

EH!?
進め魔物アニマル
Movie Title: Go Forth, Entrail Animals!
進め魔物アニマル
SERIOUSLY!?
PFFAH
THOSE GUYS!!

I've been looking forward to this one for a long time, and I really wanted to see it with you, Natsuru-san.
Now, let's go on in!
Why is it that on my day off,
I have to watch a movie about THEM...

Like the scene where the animals exchanged guts with each other.
Good movie, wasn't it-
That was really intense!
...it really is like a dream...
...for my first date to be with you, Natsuru-san...
Natsuru-san, is there a guy you're going out with right now?
And... um,
...but if you're okay with me...
This might sound weird coming from another girl...

Will you go out with me?
I have to go to the bathroom.
An...
Well?
...

I was CON-FESSED TO!!
By Sakura-san, who I've been longing for!!
No... I'll just say something fitting and dodge it.
Tch.
...well, whatcha gonna do?
Ya gonna answer her?
What are you going to do?
No no, you should turn back into a guy here and then go back out...
I could just off her, ya'no.

Anyways, I'm going to go talk to her!
Tch! So borin'...
That's too bad.
AS IF I COULD DO THAT!!
Honestly, I'm seriously worried here...
If I went and hurt her like that...
She'd be completely devastated!!
Sorry for the wait.
Welcome back.
Eh?
Her voice is different

You certainly took a while.
Want to sit? Or would you rather stand as we talk?

How does she know about me even though I'm in a girl's body right now!?
Don't be so shocked, I know what you are.
I have business with you,
Senou Natsuru-san.
However, it's not as if I've known this whole time.
I figured it out when you became like that.
"Became like that"? No way...
That's right, I'm a Kampfer too.

...!
Your...
enemy.
You followed me?
Don't be in such a rush.
You didn't change back to normal because I was there.
I'd prefer if you were more grateful.
I have no intention of fighting you here, so don't worry.
If possible, I'd do so at the movie theatre.

Eh...

And you over there, could you please put away that dangerous thing?

Stop! We can't do this here!!

AKANE!?
Move, Natsuru! I can end this with one shot!

I got Kaede to leave her seat, as I doubt she would understand our conversation.
Why not take a seat?
ズーン
Student Council President-san...
"Shizuku" is just fine.
And the one who attacked us in the library...?
Didn't I already say? I'm a Kampfer from the enemy side.
So my bracelet is red.
Shizuku-san, what exactly are you?

Oh... now ain't that inter-estin'.
Yer the one who tried pickin' a fight with us.
I have no intention of fighting you here, I just wanted to meet you.
Me.
It doesn't look like you've trans-formed.
Oh, I have.
Changing gender, changing personality...
...but I don't change much at all.
Trans-formations have many different types and strengths.

You've been quite rude to Shizuku-sama.
She should just run you through with her snort sword.
I can't stand Noh mask-lookin' people like you.
It's like my eyes're gonna rot and fall out.
Whatever, just name yer business.
ｼﾛ
Hun?
My my, how classless.

Shove it, ya factory defect! Or how about I go throw ya on a stove!?
Just try it if you think you can.
Ho Ho Ho
Speaking in such a rude manner to Shizuku-sama,
you won't be let off so easily.
Ho Ho Ho

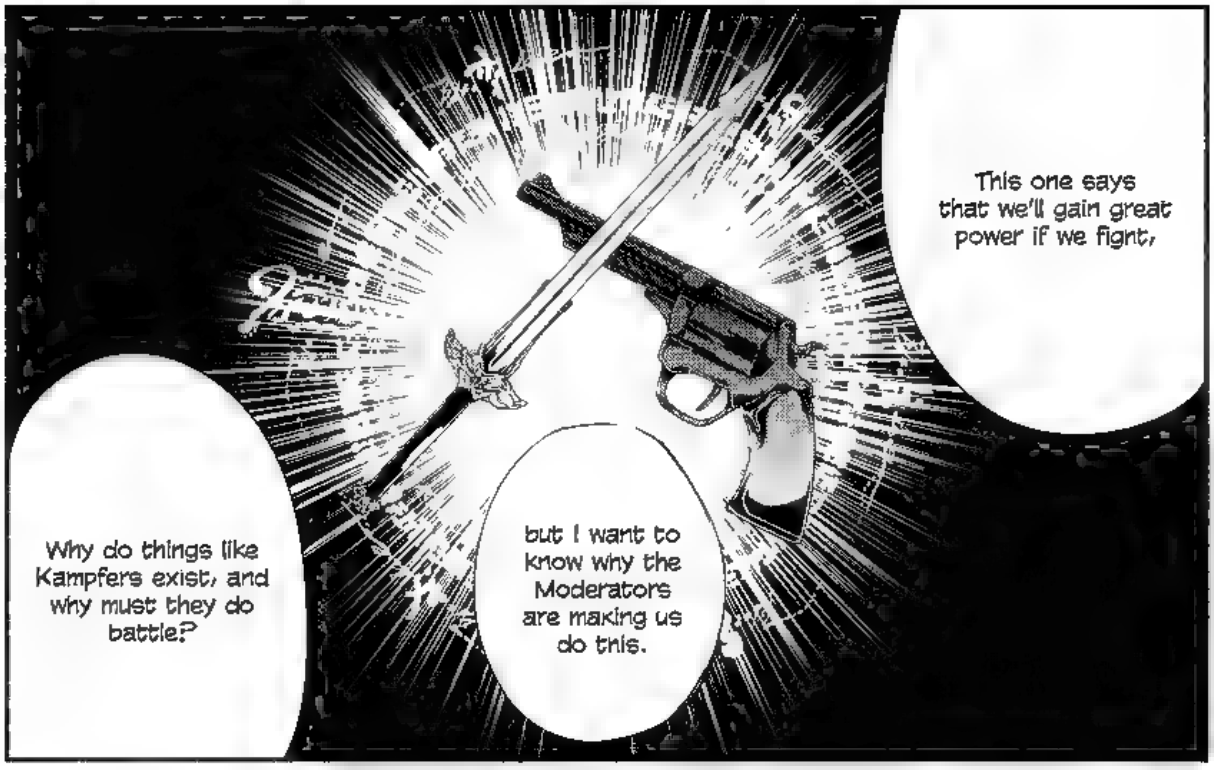
I believe that you already know this, but Kampfers exist to fight.
Each side confronts and defeats the other.
But do you know why they fight?

My "business" is about Kampfers.
My apologies. I got it from Kaede, but it's rather foul-mouthed.

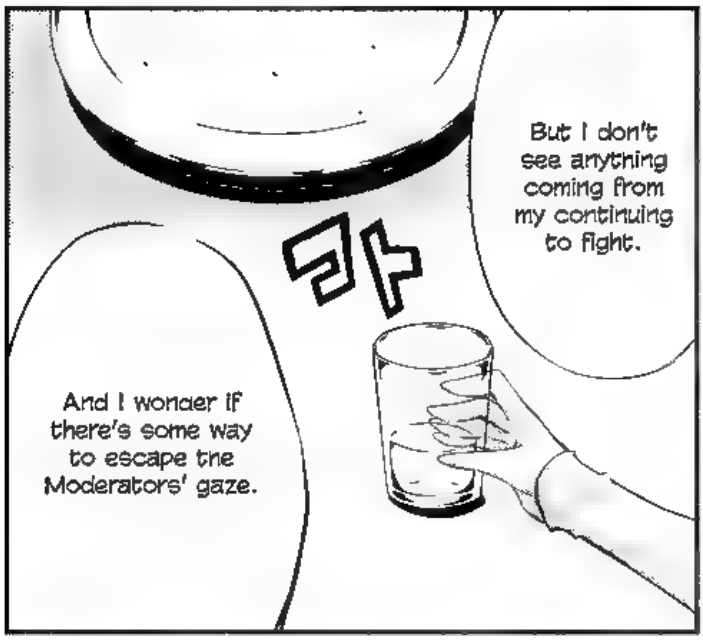
I do not.
I've asked this one here, but it refuses to talk.
There's a lot that I don't know either.
So I was wondering if you could tell me.

So you don't know, then. The same as me.

Who cares, I don't need no reason.



This one says that we'll gain great power if we fight,
but I want to know why the Moderators are making us do this.
Why do things like Kampfers exist, and why must they do battle?



But I don't see anything coming from my continuing to fight.
And I wonder if there's some way to escape the Moderators' gaze.

Have you fought other Kampfers before?

Quite a few, and I defeated them.

So until the time comes when I understand all of this,
and I settle things with you, I'll continue to fight.

You don't want to fight?
Wait a minute, didn't you say that you didn't know why we're fighting?
But you're still going to?
So why not just give it a break then?
Well...
Here's something for you, then.
?
I've taken Kaede.

But aren't you and Sakura-san friends!?
KIDNAPPED!?
Wha!?
Yes, she's my dear friend.
And it pains my heart to do this.
But I didn't think that you'd fight me unless I did this.
I'll release her if you'll do battle with me.
It's all up to you.
...
Two nights from now, you can choose the location.
The time and place?

Very well. I'm an honors student, so I do need to take care not to become a public nuisance.
Isn't there a park close to here?
It's pretty large, so there shouldn't be too much trouble if we caused a bit of a racket.
I'll be looking forward to two nights from now.
To Be Continued.

コミック版がついに発売。これも全て橘先生のおかげ。どうもありがとうございます。かねてから、変身シーンと戦闘シーンのあるけんぷファーにはビジュアルメディアが似合うと思っていたので、原作者の喜びもひとしおです。なにより紅音が可愛いくて雫が格好いい。そして変身後のナツルが綺麗で臓物アニマルが変。まさに期待以上の作品です。これから原作以上に弾けてくれるものとわくわくしています。読者の皆様も、是非おつきあいくださいませ。
